

Luminaries

It's the holiday season once again and the **Quail Hollow Estates Homeowners Association IV** will be continuing a long tradition of lighting luminaries throughout the neighborhood on Christmas Eve. It is a beautiful sight...the streets lined in candlelight. It's a task that requires everyone's participation and we thank you for doing your part.

Bob Egiziano and Charlotte Bearden will be coordinating the activities with the block captains who will be distributing the candles and bags to each homeowner. Block Captains will be distributing bags and candles for each homeowner by December 17th.

We ask that on Christmas Eve by 6 pm each homeowner place a luminary (with sand and a candle) at each crack in the curb in front of their home and light them. Let the luminary burn throughout the night, they will extinguish on their own. Specific instructions will accompany each set of bags. Sand will be located at the Children's Park the week of December 12th for you to take what you need to fill the bottom of the bags.

In case you will not be home that night, PLEASE make arrangements with a neighbor or friend to place your luminaries out and light them for you. Last year we had 97% participation, this year it would be wonderful to have 100%. This is an event that makes QHE IV "very special" and stands out among other communities.

If you have any questions or no one to place luminaries out for you on Christmas Eve, please contact Charlotte Bearden at 704.554.9382

We wish everyone a Joyous Holiday and a Happy New Year!
